

A cartoon illustration featuring two characters against a solid purple background. On the left is a witch with red hair, wearing a grey robe and a large grey pointed hat with a red band. She holds a large orange basket filled with green cucumbers. On the right is Frankenstein's monster, with green skin, black hair, and a white bolt on his forehead. He also holds a large orange basket filled with green cucumbers. A speech bubble from the monster says, "YOU GOT WAY MORE CUCUMBERS THAN ME!".

YOU GOT WAY MORE  
CUCUMBERS THAN ME!
